Subject Fw: For Review and Forwarding: SAB FR notice requesting
nominations of experts to serve on the stream and wetland
connectivity panel

FYI

Good news. ORD has the draft F.R. Notice. I have confirmed this with Jeff. Jeff also has OWOW's comments directly from me and will compare them to what he gets from OW/the Bobs/etc.

This should continue to move quickly as Nancy has communicated that it is a priority.

I'll be on travel Wed-Fri so if there are any questions about our comments please see Donna, as she and I discussed my comments.

Thanks,
Rachel
